NEW SEASON: SUPERMAN & LOIS To Start Filming Season 2 This September

Superman & Lois 2021 · Drama · 2 seasons BBC1 Saturday 17:15

<https://www.bbc.co.uk/programmes/p09yd3d8>

----- D ANDERSON

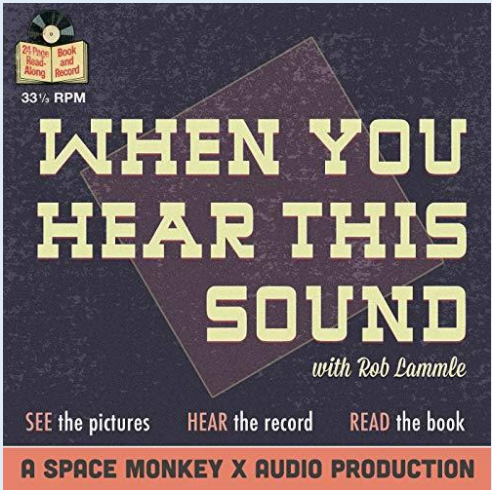

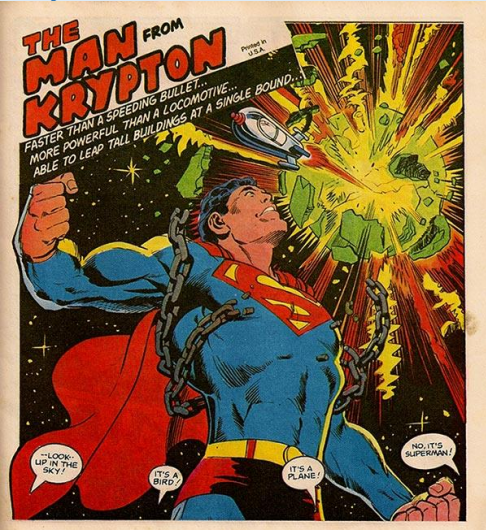

After years of facing supervillains, monsters and alien invaders, the world's most famous superhero, The Man of Steel aka Clark Kent and comic books' famed journalist Lois Lane come face to face with one of their greatest challenges ever -- dealing with being working parents in today's society. Complicating the already daunting job of raising two boys, Clark and Lois worry about whether their sons, Jonathan and Jordan, could inherit their father's Kryptonian superpowers as they grow older. Returning to Smallville to handle some Kent family business, Clark and Lois are reacquainted with Lana Lang and her Fire Chief husband, Kyle Cushing. The adults aren't the only ones rediscovering old friendships in Smallville as the Kent sons are reacquainted with Lana and Kyle's rebellious daughter, Sarah. Of course, there's never a dull moment in the life of a superhero, especially with Lois' father, Gen. Samuel Lane looking for Superman to vanquish a villain or save the day at a moment's notice.

First episode date: 23 February 2021
Network: The CW BBC I Player
This new take on superman has brought something fresh fit with what we know about superman a creative plot line with great character development seem lot thought where they want there show to go to grab audiences young and old a good chance to run 3 seasons from what I seen so far, They started filming season 2 The CW has released the official synopsis for "What Lies Beneath," the season 2 premiere of Superman & Lois, which is set to air on the network on January 11, ahead of the Naomi pilot. The episode picks up with the characters still reeling from the events of the season one finale, and everyone facing a new status quo. It seems relationship issues are the word of the day, with Lois and Clark struggling for unexplained reasons (likely to do with Lois's other-dimensional daughter showing up at the end of last season), Adam jealous of Lana's relationship with a political candidate, and Jordan and Sarah's relationship threatened by the ever-present weight of the Kent family secrets.

When You Hear This Sound #1 – Superman: The Man From Krypton PODCAST CHOICE

----- DAZ ANDERSON

Look! Up in the sky! It's a bird! It's a plane! It's...well, you know who it is. Just in time for the new movie, Man of Steel, the first official episode of When You Hear This sound is going to drop the needle on 1982's The Man from Krypton, a retelling of Superman's origin story from Peter Pan Records.

When You Hear This Sound will take you back to a pre-VHS era of home entertainment as your host Rob Lammle digs into his personal collection of read along record books and stories on vinyl. With thrilling adventures adapted from blockbuster movies, hit TV shows, hilarious cartoons, and iconic comic book superheroes, the show will be retro fun for everyone. Podcast Choice

Galaxy 4 is the mostly missing first serial of the third season in the British science-fiction television series Doctor Who.

REVIEW: Doctor Who: Galaxy 4 (Animation) – DVD

Reviews

----- D ANDERSON

released on 15th November 2021 on DVD, Blu-ray and as an exclusive Steelbook this year, filling another gap in missing Doctor Who episodes.

Doctor Who: Galaxy Four will be available on DVD, Blu-Ray and as a Limited Edition £14.99

Can see why they chose this one first to animate for 1st doctor as only few characters and set to work on a simple plot, the animation fair for budge they had to work with.

Galaxy 4 is the mostly missing first serial of the third season in the British science-fiction television series Doctor Who. It was first broadcast in four weekly parts from 11 September to 2 October 1965.

In this serial, the Doctor (William Hartnell) and his travelling companions Steven (Peter Purves) and Vicki (Maureen O'Brien) arrive on an arid planet within the titular Galaxy 4, where they encounter the beautiful but dangerous Drahvins and the hideous but friendly Rills, **two crash landed species conflict with one ...**

Arizona Student Combines Fitness with Helping the Homeless

Since 24-year-old Arizona State University fitness student Tierra Hopkins began seeing homeless people in city parks as she worked out, she has been combining her passion for fitness with a desire to help those in need. She started leading free workout sessions at parks; participants bring an item to donate. Each 30-minute workout includes two or three circuits of full-body exercises and a cool down. Then, the group puts the donated items in bags and hands them out to homeless people in the park. Since she began in 2020, Hopkins has held her Saturday morning workouts at various parks in Phoenix and Tempe, which has experienced a 96% increase in unsheltered people from 2017 to 2020.

When did the first Monday in May become a bank holiday?
1978
1978 - the first Monday in May in England, Wales and Northern Ireland, and the last Monday in May in Scotland, became additional bank holidays.

An Irish immigrant speaking of deceased great-grandparents, two works from one of Ireland's most celebrated landscape painters, Paul Henry, were discovered in a storage unit and sold at an auction in Cincinnati for \$217,000.

The Dog Café That Brought a Neighborhood Together

Is that a fact?

Why do we have bank holiday Monday? This August bank holiday was initially introduced as a way to give us all a chance to make the most of the summer. But it didn't always fall on the last Monday of the month. ... It was eventually moved as it clashed with the traditional two week shut down that many companies went through in the summer.

Canada | In this dog-eat-dog world, where's a weary pooch supposed to go for a break? If you live near Toronto's High Park, you might stop at the free snack bar for pups that Kaya Kristina set up on her front lawn. Kristina started off small—a few years ago, she began putting out bowls of water for tired, thirsty dogs on their way home after a romp in the park. When the pandemic hit and Kristina was cut off from friends and family, she expanded her front yard's offerings to include dog biscuits, beef liver bites, dried chicken tenders and even a stick "library." Now christened StarPups—complete with its own Instagram account, **The Pups of High Park**—Kristina's yard has become a popular community hub, as beloved by human residents as canines. —By Jason McBrid

What date is the extra bank holiday in 2022?
Recommended. To create the four-day weekend, the government said the late May bank holiday in 2022 will be moved to Thursday 2 June and an additional bank holiday on Friday 3 June will be created.

Dota: Dragon's Blood on Netflix is returning for season 2 (or book 2 as it's labeled on Netflix) in January 2022 with every episode of the new season set to arrive on January 6th, 2022 around the globe. Here's what you need to know about the new season of **Dota: Dragon's Blood**.

DOTA: Dragon's Blood is an upcoming Netflix Original fantasy-adventure anime based on Valve's popular MOBA video-game Dota 2. The series is created by Ashley Miller, who is most well known for his work on the superhero movies *Thor* and *X-Men: First Class*. Producing the anime is Kaiju Boulevard and Studio Mir, who is currently working on the animated *Witcher* prequel, *The Witcher: Nightmare of the Wolf*.

Superman & Lois season 2 premieres in the US on The CW on January 11, 2022.

A UK release date has yet to be confirmed but we shall be sure to update this when it arrives.

As the first season was only just released in its entirety in the UK on BBC iPlayer and airing weekly on BBC One, we imagine it will be quite the wait until the second run finds its way to UK shores.

We will be sure to update you on the UK release date as soon as it is confirmed.

THE ORIGINS OF
BANK HOLIDAYS

In the UK we owe our statutory bank holidays to John Lubbock, first Baron of Avebury, scientific writer (who studied ants and tried to teach his poodle to read), banker and politician and who, in 1871, drafted the Bank Holiday Bill which, when it became law, created the first bank holidays.

Holy-days and holidays

The first meaning of holiday in the Oxford English Dictionary is: *A consecrated day, a religious festival, (now usually written holy-day).* The definition takes its origin from the observance of religious festivals and saint's days. The second meaning is: *A day on which ordinary occupations (of an individual or a community) are suspended; a day of exemption or cessation from work; a day of festivity, recreation, or amusement. (In early use not separable from sense. 1)*

The page from the British Alamanac 1833, below, shows the large number of holidays kept at the Bank of England and the Exchequer, and other public offices. These holidays were to celebrate various royal events, Christian festivals and saint's days, including London burnt on 2 September, commemorating when the Great Fire of London began.

Grange Hill (TV Series 1978–2008)

Grange Hill is coming back as a movie from show's creator

Grange Hill Genre

Teen drama

Children's soap opera

Created by Phil Redmond

----- D ANDERSON

Grange Hill is getting a movie this year from its original creator.

Phil Redmond, who created the iconic school-based series as well as Brookside and Hollyoaks, has told The Guardian that he's got a script ready to go, and is looking to begin casting soon, with hopes that former actors would be returning.

The show began in 1978 and covered a wide-range of topics across its run, receiving praise for how it tackled hard-hitting storylines such as drug addiction, teenage pregnancy, sexuality, homelessness, student/teacher relationships, HIV, gun crime, disability, child abuse and cancer, to name a few.

The BBC ended the series after 30 years of continually airing, but Redmond feels like there is plenty still to say. https://www.youtube.com/watch?v=3LF8cxI3_bk

Only children drama show that was gritty and not shy from topics that children face today, today and not been any show like it ever since , more likely water it down if it was CBC today also noticed somethings not noticed before rewatch the first of things that were too young to understand at the time,

Tucker Jenkins and Gripper Stebson may not have seemed like potential silver screen material as you tucked into spam fritters for tea in the late 1970s.

But Grange Hill creator Phil Redmond is set to turn the now-defunct hit children's TV series into a film, it has been revealed.

The 72-year-old TV producer and screenwriter, who was also behind Brookside and Hollyoaks, has reportedly just completed the script for a film based around the children's programme set in a school.

It is thought that the planned film, due later this year, will deal with the planned closure of the school as well as issues around social media and children's grief. Video provides a powerful way to help you prove your point. When you click Online Video, you can paste in the embed code for the video you want to add. You can also type a keyword to search online for the video that best fits your document.

WHO IS THE MOST AWESOME PERSON TODAY?

Krystyna Chojnowska-Liskiewicz
Polish sailor

Krystyna Chojnowska-Liskiewicz was a Polish naval engineer and sailor as well as the first woman to have sailed single-handed around the world, repeating the accomplishment of Joshua Slocum.

Born: 15 July 1936, Warsaw, Poland

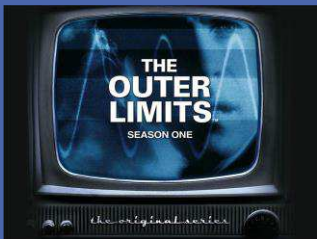

Died: 12 June 2021, Gdańsk, Poland

Spouse: Wacław Liskiewicz (m. 1960–2She set sail from the Canary Islands on 28 February 1976, crossing the Atlantic Ocean to Barbados. She then sailed through the Caribbean Sea to the Panama Canal, and hence to the Pacific Ocean.

After crossing the Pacific, Chojnowska-Liskiewicz sailed via Tahiti and Fiji to Australia, and then west across the Indian Ocean via Mauritius. After passing the Cape of Good Hope, she sailed north, and crossed her outbound track on 20 March 1978 at latitude 16° 08.5' north and longitude 35° 50' west.

Chojnowska-Liskiewicz completed her voyage when she entered the port of Las Palmas de Gran Canaria on 21 April 1978, having sailed 31,166 nautical miles (57,719 km) in 401 days. On 18 June 1978, she returned to Poland, where she is still seen as something of a national hero.

CLASSIC TV BOX

The Outer Limits

1963 · Sci-fi · 2 seasons

"There is nothing wrong with your television set." That famous line opens each episode of the classic science fiction anthology series as part of a narration that makes people think their TVs are being controlled. Episodes of the series, which numbered 49 over the course of two seasons, range from a mix of sci-fi and horror that feature "scary monster" motifs to episodes focused on the sci-fi aspects of the stories. Episode writers include such notables as series creator Leslie Stevens and Harlan Ellison.

First episode date: 16 September 1963

Old Time Radio

X Minus One is widely considered among the finest science fiction dramas ever produced for radio. The first 15 episodes were new versions of Dimension X episodes, but the remainder were adaptations of newly published science fiction stories by leading writers in the field, including Isaac Asimov, Ray Bradbury, Philip K. Dick, Robert A. Heinlein, Frederik Pohl and Theodore Sturgeon, along with a few original scripts. For baby boomer's that liked The Outer Limits and The Twilight Zone and for all you Trekkies, X Minus One is the forefather of the science fiction you grew up with. You will find that it still is some of the best Science Fiction ever aired. Regardless of you age join us as we explore science fiction with the imagination of our minds and great story telling.

BOOK CHICE

The Shade of Hettie Daynes
(Paperback)

Robert Swindells (author)

If you expect to see a ghost, you see a ghost...

That's what Bethan tells herself when her brother Harry takes her to see the ghost at the old reservoir. But she really can see it: a pale figure floating over the water, one finger pointing downwards.

Local legend says that the ghost is Hettie Daynes, an ancestor of their family, who vanished over a hundred years ago.

If so, what does she want? And why is she appearing now?

Harry and Bethan and their friends Rob and Alison are determined to find out!

A deliciously shivery ghost tale from multi award-winning author Robert Swindells.

GOOD READ

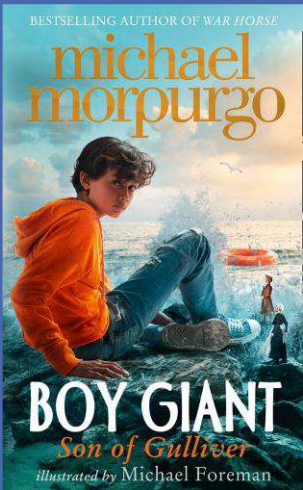

The Amsterdam Adventure - Eddie Albert and the Amazing Animal Gang
(Hardback)

Paul O'Grady (author)

when Eddie is sent to stay with his eccentric aunt in Amsterdam, he discovers that she too has this gift...

So begins a breathless cosmopolitan comic crime adventure, as Eddie, Aunt Budge, his new friend Flo and a whole gang of amazing animals take on the most-dastardly villain Amsterdam has ever seen, in a desperate race against time to save one of their own.

Publisher: HarperCollins Publishers

Boy Giant: Son of Gulliver
(Paperback)

Michael Morpurgo (author), Michael Foreman (illustrator)

A thrilling adventure inspired by the classic story of Gulliver's Travels, this is also a gripping modern narrative of rescue and refuge, from a writer at the height of his powers. A book about breaking down walls, at a time when many are trying to build them. And a timeless reminder of humanity's infinite capacity for good... even when those humans are very small indeed.
